

Ginty Jocius Journey of Growth Fund

*To support undergraduate and diploma student travel at the
Ontario Agricultural College, University of Guelph*

Family and friends of Ginty Jocius have established the Ginty Jocius Journey of Growth Fund in honour of his personal and professional contributions to agriculture.

The Ginty Jocius Journey of Growth Fund will provide assistance to University of Guelph students participating in meetings, conferences, seminars, tradeshow, course field trips, etc., or could help students who are traveling as a group in conjunction with the Canada's Outdoor Farm Show Travel Grant.

The grant will be available to University of Guelph OAC undergraduate and diploma students.

Your donation to this project in memory of Ginty Jocius will pay tribute to Ginty's many contributions to agriculture and encourage students to travel and bring back new and innovative technologies to the OAC so that the agri-food business in the province of Ontario can grow stronger and more vibrant through the energies of these young people.
