Avoid the line ups by pre-ordering meals for the staff. As much as we like to see everyone, we know you need to be at your booth making sales.

We are currently able to offer pre-ordered Subs up to the day before they are needed. The more notice the better, thanks.

Offering Ham, Cold Cut, Roast Beef, Chicken, Turkey or Egg Salad on white or whole wheat 12" bun.

We also offer a platter of 10 mixed subs ready for your booth, drinks will be included with this.

We also offer a meal coupon for you to give as appreciation to your customers or to earn the business of a new customer.

Please contact us by email for order forms or give me a call to discuss.

Thanks for your business and see you at the show,

Graham Scott
