SECTION 2: MOVE-IN/MOVE-OUT PROCEDURES

2.1 MOVE-IN/MOVE-OUT DATES

- Aug. 19** Self-unloading equipment/materials can be delivered to the site and stored in a marshalling area. It is the Exhibitor's responsibility to pick up the materials; they will not be placed on the Exhibitor's space.
Note: There is no guarantee that lift equipment will be available prior to Sept. 3.
- Sept. 3** Move-in for **outdoor** exhibits begin. It is recommended that all exhibits be set up by dusk on Sept. 9.
- Sept. 4-11** Show site open daily from 8:00 am to 6:00 pm. Security will be on-site from 8:00 pm to 7:00 am. Exhibits that require highway trailers to be unloaded at the exhibit space and/or will require more than one-hour use of telehandlers are encouraged to plan their set up for the Tuesday – Thursday the week prior to the show.
- Sept. 5** Move-in for **indoor exhibits** begin.
- Sept. 10** COFS site will be open for final move-in at 6:30 am. Exhibits must be set up by 8:00 am.
Vehicles that are not part of the exhibit MUST be removed from the Show site by 8:00 am.
- Sept. 10-12** COFS is open to visitors from 8:30 am to 5:00 pm. Only emergency and service vehicles will be allowed on the Show site during these hours. Security will be on-site from 4:00 pm to 7:00 am.
- Sept. 12** Tear down may begin at 5:00 pm, but **NOT BEFORE**. Small trucks and trailers will be allowed on-site at 6:00 pm, but **NOT BEFORE**. This time may vary pending the number of attendees remaining on the site. Highway trucks/trailers will **NOT** be allowed on-site until after 6:30 pm, or when it is deemed safe.
Holding locations for trucks will be provided off Oxford Rd. 17 as directed by the signage. The holding area for trucks arriving Thursday afternoon will be located in West Parking south of the show site on Oxford Road 30. If approaching the site from for the roundabout on Oxford 59 proceed west on Oxford 17 to Oxford 30 (Oxford 30 is first road on left past show site).
- Note: To ensure safe loading, COFS operates telehandler service until dusk on Thursday evening. Telehandler service resumes at 7:00 am Friday morning.
- Sept. 13-20** Site open daily from 8:00 am to 5:00 pm. No security on-site after 5:00 pm Sept. 15.
- Sept. 20** **All materials must be removed from the COFS site by 5:00 pm. This includes all temporary buildings kept in storage on the site. Materials remaining at the Site after this time will be removed at the Exhibitor's expense.**

COFS staff will be available at all times during the move-in period to assist you. In the event of heavy rain, COFS Management reserves the right to restrict access to the site.

2.2 LOADING/UNLOADING AND TELEHANDLERS

COFS Management will provide telehandler services to assist Exhibitors in the handling of heavy materials. Telehandlers will be available by contacting the Dispatch Office on a first-come, first-served basis. Exhibitors **must** be present at their exhibit sites when telehandlers arrive or the order will not be completed.

COFS Management will provide 3 ft. and 4 ft. loading ramps for trucks. Due to potential turf damage, all highway trailers will be unloaded or loaded at the loading ramp and marshalling area located off Oxford Road #17. Smaller vehicles can load and unload at the Exhibitor site.

COFS will provide designated parking space for highway trucks and trailers. Ask staff for location before parking trailers. Exhibits that require more than one-hour use of telehandlers are encouraged to plan their set up for the Tuesday – Thursday the week prior to the show.

2.3 POWER WASHING

Power washing equipment will be available at the Show site at the Exhibitor's expense. Contact Chesney Mobile Wash at (519) 467-5522. Power washing is also available through D&T Mobile Wash at (519) 421-7615 or (519) 320-0779.

2.4 CLEAN-UP – Shavings/Wood Chips/Mulch/Holes

Exhibit space/turf must be left clear of garbage and all landscaping materials. Any holes created must be filled. If extra effort is required by COFS staff to clean the exhibit space, a charge will be applied to cover the cost. The fee has been set at \$150.00 per hour with a \$150.00 minimum charge. Only Exhibitors with lots that require final cleanup will be invoiced for this service.

SECTION 3: PRE-SHOW ACTIVITIES & SERVICES

3.1 EXHIBITOR SERVICES

All information and links to forms for ordering exhibitor services prior to the Show are included in the [Online Exhibitor Kit](#). During the Show, exhibitor services can be ordered through the Site Office or representatives with show services such as electrical, tents, show furniture and accessories can be contacted from the Site Office.

Various sundry items/services such as post hole digging, private portable toilets, on-site RV pumping service, grass mowing, fuel, telehandlers and other additional requirements can be ordered in advance of the Show. Please download the COFS Exhibitor Services order form and email it to wendy@canadasoutdoorshows.com. Download the form here: [COFS Exhibitor Services Order Form](#).

3.2 TENT RENTALS

Advanced Tent Rental is the exclusive tent supplier for tenting requirements at COFS. Other tent suppliers will be requested to leave the Site. Advanced Tent Rental has qualified personnel on-site on a 24-hour basis during the Show. Please contact the Site Office with any issues. Tent rental forms can be downloaded here: [Tent Rental Form](#).

Tents that are ordered and supplied from Advanced Tent Rental will not require individual building permits as these rentals are covered by a blanket permit secured by COFS.

Exhibitors may use their own tent equipment on their exhibit space; however, **the City of Woodstock requires a Building Permit for exhibitors that supply their own tents**. The details are as follows:

- For tents over 60 m² (646 sq. ft.), the Ontario Building Code indicates that a building permit is required.
- All tent permit applications must include drawings (stamped by an engineer for tents greater than 225 m² (2,422 sq. ft.), certification of flame spread for the fabric and a site plan showing location.
- For tents greater than 225 m², the construction shall be reviewed on-site by the designing engineer.
- Applications for tents over 225 m² need original hard copy engineered drawings (faxes can not be accepted).
- An "Application for a Permit to Construct" must be completed and submitted to the City of Woodstock.
- This form can be obtained by downloading the form from the City of Woodstock website. Click here to download: [City of Woodstock Building Permit](#).
- A cheque in the amount of \$75.00 made payable to the City of Woodstock is to accompany the completed building permit application and forwarded to: City of Woodstock, City Engineer's Office, P.O. Box 1539, 944 James Street, Woodstock, ON N4S 0A7 Attention: Luke Julian, Building Inspector.
- Please allow 10 business days for application processing.
- **Note:** For those companies who received building permits for Exhibitor-owned tents in prior years, the City of Woodstock Engineer's Office now requires hard copy engineered drawings each year as well as the building permit application every year.

3.3 ELECTRICAL

- SHOWTECH Power and Lighting is the exclusive electrical service provider at COFS. All electrical service must be arranged through SHOWTECH.
- **One 1500-watt electrical outlet is included** in the rental cost of each exhibit space (unless otherwise stated). Silenced diesel generators will supply power.

- Electrical service is supplied underground through 60-kV lines. All underground lines will be marked with red flags on the grass. **Please refrain from any underground digging without permission from COFS.** Any costs to repair damages to electrical lines will be charged directly to the Exhibitor. The 110-V secondary service will be supplied above ground to the back of each exhibit space (unless otherwise stated).
- **POWER WILL BE AVAILABLE ON A 24-HOUR BASIS FROM 12:00 PM (NOON) ON SUNDAY, SEPTEMBER 8 UNTIL 7:00 PM ON THURSDAY, SEPTEMBER 12.**
- If temporary electricity is required on Friday, September 6 and/or Saturday, September 7, or for any additional electrical requirements, please make arrangements directly with SHOWTECH at (905) 283-0550.
- Download the form here: [SHOWTECH Order Form](#)

3.4 TELEPHONE/INTERNET SERVICES

The COFS site is located within 5 km of the Bell Cellular, Rogers, AT&T and Telus transmission towers.

High speed internet access can be arranged directly through Execulink Business Solutions at 877-393-2854. Download the form here for more information: [Execulink High Speed Internet](#)

3.5 FINANCIAL SERVICES

ATM machines will be available on-site during the Show at the Site Office and at the FCC Industry Pavilion.

Visa, MasterCard and Interac can be made available.

For exhibitors with their own wireless point of sale (POS) devices, prior testing is recommended to ensure adequate cellular network connection is available.

3.7 ADVANCE SHIPMENTS – all shipments received prior to Sept. 3

NEW FOR 2019

Advance shipments must be pre-arranged with Show Management at the Site Office by calling 519-539-8337 or emailing info@outdoorfarmshow.com. In order to expedite timing of deliveries and pickups, please provide the exhibiting company's name and exhibit location including booth number on all trucking/courier manifests for advance shipments.

Self-unloading equipment can be delivered to the Site and stored **outside** in a marshalling area. It is the Exhibitor's responsibility to pick up the materials; they will not be placed on the Exhibitor's space. During the pre-Show period, security is severely limited and there is no on-site security after Friday, September 13. Therefore, COFS Management assumes no responsibility for loss or damage of goods left on-site pre- or post-Show.

A limited amount of pre-Show materials can be delivered and stored in a sheltered facility. See **Material Handling** guidelines below.

Material Handling

Shipments of materials to be stored in sheltered facilities by COFS will be accepted by the Site Office **after August 19**. The handling of these materials will be subject to the following fees:

| | | |
|--|----------------------|-----------------|
| Small package deliveries accepted, unloaded, and stored until pickup at Site Office | 1-30 lbs | \$25.00 |
| Delivery to Exhibitor Site | (max 5 packages per) | \$25.00 |
| Crated materials, packages 30 lbs + unloaded, stored, and delivered to Exhibitor Site (for skids arriving prior to September 3 rd or those requiring covered storage) | per skid | \$100.00 |
| Advanced warehouse storage (prior to August 19) | Additional Charge | \$50.00 |

All deliveries will be made to the exhibitor site by Sunday, September 8 unless another date is specified. Please direct questions about your deliveries to the Site Office at 519-539-8337.

3.8 SHIPPING/CUSTOMS

The services of Beyond Borders Logistics & Consulting Inc. have been engaged to ensure smooth and trouble-free entry of exhibit materials into Canada. Beyond Borders will offer their **Customs Services - through our agent ConsultExpo & Transportation** package which has on-site priority and provides the following services: free advance warehousing; post required bonds with Canada Customs; clear materials through Canada Customs directly on-site; co-ordinate delivery to the facility on the appropriate move-in hours; provide on-site staff; prepare export documentation; co-ordinate outgoing transportation; and have U.S. Customs clear your exhibit materials.

- Download the Customers and Transportation Services Order Form [here](#).
- For Customs or Transportation quotes and/or information please fax or email your completed forms to:
 - Rob Parr, rob@beyond-borderslc.com (Customs Services) or Tel: 416-771-4065 **or**
 - Brian Moore, brian@beyond-borderslc.com (Transportation Services) Tel: 905-808-1006
- Please see note in Section 7 regarding passport requirements for travel to Canada effective June 1, 2009.

3.9 TELEHANDLERS

Lifts with either telehandlers or tractors (with short or long forks) can be ordered at the Dispatch Office at the main entrance of the Site. Telehandlers are reserved, dispatched and conducted on a first-come, first-served basis. Exhibitors must be at their exhibit space when the telehandlers arrive or the order will not be completed.

SECTION 4: TRADE SHOW RULES & REGULATIONS

4.1 LIABILITY INSURANCE

The Exhibitor will be liable for and will indemnify and hold harmless COFS Management from any loss or damages whatsoever suffered as a result of any person or company including, without limiting the generality of the foregoing Exhibitor, other Exhibitors, Management, the owner of the property and their respective agents, servants and employees and members of the public attending the Show, either on the said space or elsewhere if said loss or damages arose or were in any way connected with the Exhibitor's occupancy of said space.

The Exhibitor shall secure and furnish upon demand, evidence of comprehensive general liability insurance with a limit not less than \$2,000,000 inclusive including coverage for premises and operations, products and completed operations. The Exhibitor is responsible for the cost and placement of all insurance related to any potential loss or damage resulting from participating in the Show.

For more information on requirements and additional insured, or to order temporary insurance coverage through Vendor Insurance Inc., download the Liability Insurance form here: [Vendor Insurance](#)

Please send proof of liability insurance by email to wendy@canadasoutdoorshows.com by August 23, 2019.

4.2 COFS/CONTRACTOR AGREEMENTS

The Exhibitor agrees to observe all contract conditions between Show Management and the official designated contractors, employing the services of these contractors only for their allocated functions.

4.3 SITE SHARING/SUBLETTING

Space contracted by the Exhibitor may not be sublet.

4.4 BUILDINGS/STRUCTURES

All structures and buildings are to be installed on a temporary or movable basis. COFS will discuss complete requirements and property tax implications with exhibitor. A COFS Building Agreement **must** be signed before work begins on any building/structure.

4.5 OUTDOOR EXHIBITS

Exhibitors must confine their presentation within the contracted space only and within the Show rules and regulations, as well as maintain staff in the booth during Show hours.

In order to ensure line of sight considerations for neighbouring exhibitors, the following rules must be adhered to:

- Exhibited machinery, equipment or other items that are under 4 ft. tall may be displayed up to the front lot line;
- Exhibited machinery, equipment or other items that are between 4 ft. and 8 ft. tall must be placed 5 ft. back from the front lot line; and
- Exhibited machinery, equipment, or other items that are over 8 ft. tall must be 10 ft. back from the front lot line.

4.6 INDOOR EXHIBITS

- Exhibitor must confine his/her presentation within the contracted space only and within the Show rules and regulations, and maintain a staff in the booth space during Show hours.
- Indoor exhibits shall be placed fully within the confines of the space provided. COFS will supply 3 ft. high drapes between exhibits and 8 ft. high drapes behind only those exhibits that back onto each other.
- The Exhibitor will be responsible for supplying all other equipment necessary for the exhibit. Unless otherwise stated, one (1) 1500W electrical outlet will be supplied by COFS
- Exhibitors have the option of purchasing exhibit space with flooring, as per description on the supplier form; download the Advanced Tent Rental form for flooring orders by downloading: [Advanced Tent Rental](#)
- Exhibitors have the option to purchase carpet vacuuming service for their space. For more information and to order, please see the [Exhibitor Services Form](#)
- For indoor exhibits, the back perimeter wall or drape must not be over 8 ft. high. Any signage, decorations or display materials must not be over 8 ft. high or hang over the boundaries of the space provided.
- For those Exhibitors who have purchased four (4) or more standard exhibit spaces (i.e. frontage of 40 ft. or more), the Exhibitor may install drapes, walls, signage or decorations up to a maximum of 12 ft. high on the exhibit spaces fully contained within, but not adjacent to other Exhibitor areas, in the space provided.
- Display materials must not obstruct sight line of neighbouring exhibitors. The maximum 8 ft. height is allowed only in the rear half of the booth space. Exhibit materials over 5 ft. tall must be displayed 5 ft. back from the front of the exhibit space.

4.7 CARE OF THE LAND

It is the sole responsibility of all Exhibitors to provide normal care of all land being used by them in accordance with the City of Woodstock bylaws and land-use laws governed by the Province of Ontario and the Government of Canada. Exhibitors in contravention of any such laws will be expelled permanently from the Show.

The Exhibitor shall not disturb the exhibit space without obtaining written approval and on-site authorization from COFS Management. All damages, losses or claims whatsoever arising from disturbing or interfering with the space of other Exhibitors will be the sole responsibility of the Exhibitor.

COFS shall govern the importation, purchase, type, spreading and removal of all ground material, such as, but not limited to bark, gravel, sawdust, wood chips, etc.

4.8 EXHIBIT MAINTENANCE

COFS will provide daily cleaning of Canada's Outdoor Park street lanes and malls through a community service club. Exhibitor booth cleaning will be the responsibility of individual Exhibitors.

Canada's Outdoor Farm Show will be offering daily carpet vac service. To order this service, download the form [here](#):

4.9 GARBAGE AND RECYCLING

- Show Management will provide garbage disposal/pick-up. Please place all garbage in tightly secured garbage bags on the COFS laneways by 5:00 pm daily. If required, contact the Site Office for garbage collection or for extra bags.
- COFS will make every effort to recycle glass bottles, pop cans, plastic water bottles, paper products and cardboard.
- COFS will provide a large bin behind the Site Office for recycling cardboard. Please collapse cardboard boxes before recycling.

4.10 PERMISSION TO DIG

All Exhibitors wishing to dig a hole or dig post holes at the Show must request permission in writing from Show Management. A request form must be submitted. Permission to dig will be granted by Show Management after all regulations are met and necessary precautions have been taken by Exhibitors. COFS Management assumes no liability for damage caused by faulty digging. **It is imperative that Exhibitors contact Show Management before digging.**

Permission to Dig forms are available for download here: [Permission to Dig Form](#)

4.11 SAFETY PROCEDURES

Exhibitors who will demonstrate moving or operating equipment are required to provide every possible precaution for the safety of Show visitors, their own operators and exhibit personnel. All shaft, belt and chain drive units must be covered; safety shields or related safety devices must be provided with all equipment where cutting of metal, wood or plastic is involved.

Canada's Outdoor Farm Show, a division of Glacier FarmMedia LP, makes every effort to follow Ontario's Occupational Health and Safety Act (OHSA) and Regulations and insists that Exhibitors at COFS carry out all aspects of the OHSA & Regulations.

"The Ontario Occupational Health and Safety Act (OHSA/90) applies to all workers at Canada's Outdoor Farm Show (COFS). In addition to the OHSA/90, during show set up and show tear down, all workers at COFS must comply with the applicable sections of the Construction Projects regulations (O.REG 213/91). Every worker that enters the show grounds must be aware of and comply with the Occupational Health and Safety Act and its regulations. COFS is subject to spot inspections by Ministry of Labor Inspectors. Any workers failing to abide by the OHSA and regulations are at risk of fines. For questions regarding Health and Safety at COFS, contact Coral Defayette at coral@canadasoutdoorshows.com."

4.12 FIRE PROTECTION

The City of Woodstock Fire Station requires that all tents over 600 sq. ft. or tents that contain any fire hazards, have a 5 lb. or greater-rated fire extinguisher located near the exhibit entrance and placed 5 ft. above the ground. Exhibitors are responsible for supplying a current fire extinguisher for their tent. Failure to comply with fire protection regulations may lead to the expulsion of offending Exhibitors from the Show site.

Rental of a fire extinguisher can be arranged through Dan Daley Fire Equipment (519) 621-1367 or fax a request to (519) 621-2914. Fire extinguishers will be delivered on Monday, September 9 and picked up on Thursday, September 12, immediately after the Show closes.

4.13 SOUND LEVELS

COFS Management reserves the right to request the abatement of any or all noise-creating activities that are deemed to be destructive to the Show, its Exhibitors or its visitors. Failure to comply with recommendations from Show Management may lead to the permanent expulsion from the Show site of the offending party.

4.14 LIVE ENTERTAINMENT

The Exhibitor must obtain written approval from COFS Management before the showing of live entertainment.

4.15 LIVESTOCK

Contact Chelsea Martin at chelsea@canadasoutdoorshows.com with any livestock-related questions.

Exhibitors must receive an approval letter from COFS Management in order to bring live animals on-site. Letters will be granted once Exhibitors have completed a Livestock Tracking Form. This information is being collected for health, safety and biosecurity purposes and will not be shared. Contact Chelsea Martin at chelsea@canadasoutdoorshows.com or 1-800-563-5441 ext. 30 to receive the form.

COFS will provide water to the back of exhibit lots; however, Exhibitors must provide water and feed holding capacities. Exhibitors are responsible for providing all feed, veterinary and other necessary requirements for the safe care and handling of their animals.

COFS will arrange with Exhibitors to remove manure daily from the Site.

Access to the COFS site is controlled after show hours, for security. Exhibitor staff with live animals will have access to the livestock area on a 24-hour basis via a service corridor to the livestock area to care for animals.

Exhibitors with livestock wishing to stay on-site may do so with permission from COFS Management.

Exhibitors should leave dogs at home. If dogs are part of your exhibit, please adhere to instructions for livestock.

4.16 PARKING

Vehicles will not be allowed on-site during COFS. Exhibitor parking will be adjacent to the Show site and shuttle services will be available to Exhibitors throughout the day. Exhibitors will be allowed to drive to their site, but **vehicles must be removed before 8:00 am daily.**

An Exhibitor Parking Pass is required to gain early entry to the site along with the daily admission pass. Parking tags allow

vehicle entry only. Each Exhibitor will require one admission pass per person per day.

4.17 SMOKING AND VAPING REGULATIONS **NEW FOR 2019**

Effective October 17, 2018, smoking and vaping is prohibited at restaurant and bar patios, or any area where food and drink is sold, offered for sale or offered for consumption. By this definition, fairs, festivals and other public events where food and beverages are being served are also off limits for smoking and vaping, even if they are under the open-air.

Smoking and vaping will only be allowed in parking fields, outside of fenced perimeter and in the designated smoking areas on the Show site identified on the COFS Pocket Program. Please note that smoking includes smoking of any substance and vaping includes vaping any substance (ex. tobacco and cannabis).

4.18 RECREATIONAL VEHICLES (RVs)

- Exhibitors may park RVs on their exhibit space during the Show if it is part of their display and/or for office usage. The RV must be in place by 8:00 am on Tuesday, September 10, and may not be moved until after the Show closes at 5:00 pm on Thursday, September 12.
- All wastes (solid or liquid) must be self-contained. No liquids may be disposed of on the Show site. This will be regulated by the County of Oxford Health Department. On-site septic pumping will be provided after Show hours upon Exhibitor request and at Exhibitor expense
- **Please note that on-site offices, including RVs, may not be used for overnight accommodation purposes during the Show due to security reasons**

4.19 ENTRY TO SHOW

COFS Show Management reserves the right to refuse admission to the Show site, or request the expulsion from the Show site, of any visitor, Exhibitor, or Exhibitor's employees who, in the opinion of Show Management, is unfit, intoxicated, or in any way creating a disruption. Parking tags allow vehicle entry only. Each Exhibitor will require one admission pass per day.

4.20 GOLF CARTS & UTILITY VEHICLES **NEW FOR 2019**

Show Management strongly discourages the use of utility vehicles, including golf carts, UTVs, etc., during show hours. Exhibitors that require the use of a utility vehicle must register their utility vehicle with COFS. The complete rules and regulations can be found on the [Golf Carts & Utility Vehicle Form](#).

Each exhibitor with an outdoor space will be eligible to register for one UV Pass. Any additional UV Passes will be subject to a \$100.00 fee to the exhibitor, per UV Pass. Indoor spaces are not eligible for a UV Pass. Only golf carts, UTVs and other passenger utility vehicles are eligible for a UV Pass. ATVs, powersport vehicles, and other recreational vehicles are **not** eligible for a UV Pass, and are only permitted stationary as part of an exhibitor's display (unless stated otherwise). COFS reserves the sole discretion to decide which vehicles are deemed eligible for a UV Pass and to limit the number of passes if required

4.21 SALE OF GOODS AND SERVICES

Exhibitors are encouraged to sell their goods and services at the Show. Small sale items may be carried by the purchaser. However, Management requests that large sale items (e.g. tractors, field machinery, water pumps) remain on-site until after the Show closes on Thursday, September 12.

Exhibitors are responsible for arranging pick up of larger items with their customers. COFS is not responsible for these arrangements.

For 'cash and carry' items, COFS will provide assistance to transport purchased goods to attendee vehicles in the parking areas. Contact the COFS Site Office or the closest Information Booth, to dispatch a utility vehicle to meet the attendee at the requested on-site location.

4.22 PROMOTIONS AND SOUVENIRS

Sales, promotions, competitions and contests conducted by Exhibitors in conjunction with their display must be free of any obligation on the part of the winner. Prize winners must not be required to place an order before collection of the prize offered. The schedule of prizes and terms of the competition must be clearly stated on the entry form. All such competitions must be approved by COFS Show Management at least three (3) weeks before the Show. It is the responsibility of each Exhibitor to ensure contests comply with all existing government regulations.

Only participating Exhibitors have the exclusive rights to promote or sell goods and services at the Show. All other parties who attempt to make any sale solicitations without the written permission of COFS Management will be permanently removed from the Show site. Exhibitors are asked to report any infractions to the Site Office so that immediate remedial action may be taken. Distribution of samples, souvenirs, promotional material and solicitation of business must be confined to the Exhibitor's own booth space. Exhibitors wishing to enter another Exhibitor's area may do so only if invited.

4.23 DEMONSTRATIONS

COFS is a demonstration-focused agricultural showcase. COFS consults with Exhibitors in the months preceding the Show to select different themed demonstrations for each year. Exhibitors are welcome to participate in scheduled field demonstrations in conjunction with COFS Management. A participation fee is charged to cover signage and site preparation.

COFS encourages demonstrations both on the Show site and in the field demonstration area. In many cases, the equipment or product being demonstrated may require a tractor to operate the machine. The Exhibitor must arrange with a company at the Show to use a tractor or related piece of equipment from a participating Exhibitor. Tractors or other related equipment that are not being exhibited at the Show may not be used in any demonstration.

Numerous manufacturers of farm tractors are participating in the Show. Please arrange to secure a tractor from dealers/manufacturers that are represented at the Show. Contact COFS Management for information.

Guidelines have been developed for seed companies, crop input companies and suppliers, including agrochemical and farm equipment/machinery companies regarding their demonstrations during the Show. A comprehensive set of regulations has been developed for all field demonstrations and is distributed to participating companies upon request from COFS Management. To inquire, contact Doug Wagner at doug@canadasoutdoorshows.com or (800) 563-5441 ext. 30.

4.24 RIDE & DRIVE/DEMONSTRATION WAIVER

COFS encourages Exhibitors to offer qualified attendees with the opportunity to try out the products that an attendee may wish to purchase. COFS Management requires individual Exhibitors to provide, manage and govern attendees to sign a liability waiver before participating in any high impact demonstrations. This should remind the attendee that, in addition to protection and general safety, COFS insists that each person trying out any product is ultimately responsible for his or her own personal safety. This applies to all Ride & Drives and demonstrations including, but not limited to ATVs, bicycles, tractors, lawn mowers, passenger vehicles and all other utility vehicles. Sample waiver forms are available from Show Management.

4.25 DRONES

A Special Flight Operational Certificate (SFOC) from Transportation Canada is required to fly a drone at COFS. Once a SFOC has been obtained, written permission from Show Management must also be provided. COFS is considered a built-up area by Transport Canada and therefore businesses are required to apply for a SFOC permit during commercial events, as well as receive written permission from land owners (Show Management). Flying a drone at COFS is considered commercial use. Claiming that flying a drone for personal use at a tradeshow is not defensible in court. An employee using a personal drone to collect footage that is to benefit a business is considered commercial use.

4.26 SIGNAGE

Signage is only permitted within your exhibit space. Signage around the show site is reserved for sponsors (as per sponsorship agreement) and for show purposes, unless approval is granted from Show Management. Any unauthorized signage will be removed and stored at the Site Office for pick-up.

SECTION 5: DURING THE SHOW

5.1 EXHIBITOR BUSINESS SERVICES

High Speed internet access can be arranged through [Execulink Telecom](#).

5.2 SPECIAL EVENTS

Exhibitors may reserve the Special Events Tent for functions both during the Show and afterwards. The Special Events Tent is located off the main lane on the north side of the Ducks Unlimited Wetland Farm Pond. Please contact Show Management for a list of available times and costs. For safety and security reasons, if you plan to hold a private event anywhere on the Site after Show hours you must notify Carol Carson at (800) 563-5441 ext. 43 or carol@canadasoutdoorshows.com. You will be required to complete the After-Hours Event Application. Guests will be restricted to a specific location and will not be allowed to wander the Site. Security is required for exhibitors hosting after hours events with over 75 guests (see below).

5.3 FLAGS

COFS will fly the flags of Exhibitors along the road leading up to the Site or install a flagpole and flag on exhibit space. If you are interested in this service, please download and complete the COFS Exhibitor Services Order Form and forward it with your flag to the COFS Site Office prior to the Show. There is a \$30 fee for this service. Download the form here: [COFS Exhibitor Services Order Form](#)

5.4 SECURITY

It is each Exhibitor's responsibility to ensure protection of his/her valuables on-site, especially small portable items. COFS offers multi-level options for security, including overnight lockup facilities on-site. Contact COFS Management for details. A private security company is contracted by COFS to provide overnight protection of the Site. Exhibitors are welcome and encouraged to hire the security company that COFS uses to provide additional security for their exhibits. Please notify COFS Management if you plan to have security at your exhibit.

Exhibitors hosting after-hours events with over 75 guests will be required to hire the security company contracted by COFS

for their event.

The Oxford Community Police Service will provide on-site security during the day and assist COFS with traffic control.

Important Security Dates:

- From Tuesday, September 3 to Monday, September 9, security will be on-site from 8:00 pm to 7:00 am.
- During the Show (Tuesday, September 10 - Thursday, September 12) security will be on-site from 4:00 pm to 7:00 am.
- Security will remain on-site until 5:00 pm on Friday, September 13. Thereafter, Canada's Outdoor Farm Show and all other related parties will not be responsible for any items left at the Site.

5.5 WATER

COFS will have two sources for water:

- **Water for Human Consumption** – Cases of bottled water and ice can be ordered from COFS and delivered to your exhibit space when required. Complete the Exhibitor Services Form included in the [Online Exhibitor Kit](#) to place your order.
- **Utility Water** – COFS Management will arrange for water service to fill sprayers or other large containers for demonstration purposes. Utility water will be available throughout the Show site. **This water is not suitable for human consumption.**

5.6 FOOD SAMPLES

Exhibitors may give away free food samples as part of their exhibit experience. Sample portions should be small and should not compete with menus provided by COFS caterers. The County of Oxford Health Department must approve food samples no less than one week prior to Show time. Please advise Doug Wagner (800-563-5441 ext. 31) of your plans so that Oxford County Health can be alerted and times arranged for inspection of the samples. You can also contact Niels Dube of Oxford County Health directly for food sampling requirements (519-539-9800 ext. 3421).

5.7 PROPANE

Exhibitors/caterers are to make their own arrangements for propane or they can contact one of our on-site exhibitors for filling or exchange of customer-owned tanks. Contact Doug Fines, Huronia Welding, 519-525-1111 (10th Lane SW).

Propane Installations for Cooking or Demonstrations

- All caterers and Exhibitors using propane or other flammable fuels for cooking or other equipment demonstrations must meet the standards of the Energy Act of Ontario and the Propane Installation Code that is monitored by the Technical Standards and Safety Authority.
- Each mobile unit requiring a propane installation must have a certificate of inspection indicating the equipment meets the Propane Installation Code by a Certified Gas Technician for the current year.
- A Certified Gas Technician must connect any equipment that is to be installed/connected to propane cylinders at the event.
- A representative with the Technical Standards and Safety Authority may be present to do a spot check and the representative will request both the annual certificate of inspection and proof that propane connections completed at the Show were completed by a Certified Gas Installer.
- For more information, contact the Technical Standards and Safety Authority, Fuel Safety Program at 877-682-8772.
- See section 5.8 in this Exhibitor Manual for "Guidelines for Heating and Cooking Equipment Use at Public Gatherings".

5.8 GUIDELINES FOR HEATING AND COOKING EQUIPMENT USE AT PUBLIC GATHERINGS

Fuel Suppliers:

Where fuel is supplied to a site **NOT** connected to an appliance by the supplier, the supplier shall ensure that the cylinders are in good safe condition and are properly stored. Where fuel supplied to a site that **IS** connected to an appliance by the supplier, the supplier shall ensure that the cylinder is properly installed and that connections are leak-free, the equipment is in safe operating condition and the equipment is approved.

Rental Houses:

Where equipment is leased, rented or loaned to a person or organization, the owner shall:

- Provide documentation affirming that the equipment is in safe working condition and approved, and provide adequate training/explanation to ensure that the lessee is aware of installing/using the equipment.

Equipment Users:

Where a person or organization intends to use propane, natural gas or other hydrocarbon-fueled equipment at a public event, the person responsible shall:

- Ensure that equipment to be used is in safe working condition and meets the requirements of all applicable legislation (local and Provincial).
- Ensure the equipment is installed by a Certified Gas Technician.
- Ensure that all persons operating the equipment are trained in its safe use and their duties and emergency procedures.
- Ensure that where equipment is to be used indoors, specific permission for such use is gained from the authority having jurisdiction; equipment must be approved for use.
- Ensure that special effects equipment which utilizes hydrocarbon fuel shall be properly engineered and approved for use prior to the event by the authority having jurisdiction; the owner/operator shall provide documentation, which affirms that the equipment under their control is in safe acceptable working condition.

Special Issue:

Open flame Construction Heaters are not to be used to heat structures utilized for a fair or event. Only Certified Technicians can install, alter, repair or remove an appliance or equipment. Cylinders must be installed or stored in an acceptable manner.

SECTION 7: ACCOMMODATIONS

7.1 HOTELS/MOTELS/BED AND BREAKFASTS/CAMPSITES

Canada's Outdoor Farm Show is pleased to welcome Room Roster as our accommodations partner. Working with Room Roster will help to secure great hotel rates for exhibitors and attendees. We also provide a list of regional motels, beds and breakfasts, and campsites.

See [Accommodations](#) for more info.

7.2 RV PARKING OR STAYING OVERNIGHT

In order for COFS to provide Show security during off hours, all Exhibitors are requested to make arrangements to stay in off-site trailers/camping grounds, area hotels, motels, Bed and Breakfasts or other suitable accommodations. For security reasons, there is no provision to park RVs on-site for purposes of sleeping overnight. See [Accommodations](#) for a listing of campsites near COFS.

7.3 INTERNATIONAL EXHIBITOR INFORMATION

NEW FOR 2019

Canada's Outdoor Farm Show welcomes international guests.

As of October 2018, all visitors coming to Canada by air may be required to have a valid Electronic Travel Authorization or a valid visa. To check whether you require an ETA or visa please visit canada.ca and review entry requirements.

As of June 1, 2009, everyone coming to Canada by land, sea or air is required to have a passport or equivalent travel documents, such as a NEXUS card or U.S. Passport Card, to enter or re-enter the United States.

For details, see [International Visitors](#).
